My name is Rami Reda, director of Big Bee Convenience and Food Mart and we have over 50+ Stores located throughout Southern Ontario. We have been in business for over 19 years and have dealt with many different real estate agents and brokers, and we truly feel Nilesh Dalwadi is one of the best in the industry that we have ever dealt with. He has great experience, contacts, and network for whether your buying or selling a store. He is very professional, honest, and always able to get the job done no matter the task. We highly recommend anyone to use Nilesh whether your listing or buying a store, you will not be disappointed.

Best Regards
